EDUCATION

Course	College / University	Year	CGPA / %
B.Tech (Electrical Engineering)	Netaji Subhas University of Technology	2023-27	7.3
AISSCE (Class XII)	G.D.Birla Memorial School	2021-22	94.8%
AISSCE (Class X)	G.D.Birla Memorial School	2019-20	96%

PROJECTS

Ripple 🔗 | MERN, Web Socket, WebRTC, Zustand

- Engineered a real-time communication engine using **WebRTC** and **Socket.io**, achieving **sub-150ms latency** for peer-to-peer data transfer and live video streaming.
- Integrated **Google Gemini API** with custom function calling to deliver **AI-driven real-time search** and context-aware messaging features.
- Implemented secure **JWT/HTTP-Only cookie authentication** and centralized state management using **Zustand**, reducing client-side re-renders by 40%.

Pdify 🔗 | NextJS, PostgreSQL, Drizzle ORM, Gemini API

- Developed a full-stack SaaS application using **Next.js 15 App Router** and **React 19**, leveraging **Google Gemini** for automated PDF summarization and insight extraction.
- Designed a relational database schema with **PostgreSQL (Neon DB)** and **Drizzle ORM**, managing secure user sessions and distributed file storage via **Clerk** and **UploadThing**.
- Delivered a high-fidelity, responsive UI using **Tailwind CSS v4** and **Framer Motion**, achieving production-grade performance and a seamless user experience.

POSITIONS OF RESPONSIBILITY

House Vice Captain | School

Aug 2021-Aug 2022

- Led a **200+** students in **20+** events to win the annual House Cup.

Head of Public Relations | Ashwamedh - Dramatics Society of NSUT

January 2024 - Present

- Organized 3 street play events for 100+ teams, increasing attendance by **40%** through strategic outreach
- Managed all logistics for a **50+** member production at Mood Indigo '24, Asia's largest cultural fest.

Head of Management | Crescendo - Music Society of NSUT

January 2024 - Present

- Directed operations for a **90+** member music society, managing the budget, event schedule, and resources.
- Coordinated all logistics for the band, enabling a 3rd place win among **50+** competitors at Mood Indigo.

ACADEMIC ACHIEVEMENTS AND EXTRACURRICULAR ACTIVITIES

- Competitive Programming:** Solved **350+ problems** on LeetCode/GFG; **1750+ Rated** on LeetCode.
- National Level:** Ranked in the **Top 300 Teams** in AXIS Moves among 5,000+ participants from IITs and IIMs.
- Certifications:** Earned **Elite+ Silver** badge in Ethical Hacking; holder of multiple regional Gold/Silver medals in NSO and IMO (SOF).
- Competitions:** Secured **2nd Place** in Battle of the Bands at **Mood Indigo (IIT Bombay)** against 50+ international teams.

TECHNICAL SKILLS

- Languages:** C++ (STL), JavaScript (ES6+), TypeScript, SQL (PostgreSQL/MySQL), Python, HTML5, CSS3.
- Frameworks & Libraries:** React.js, Next.js 15, Node.js, Express.js, Socket.io, WebRTC, Redux, Zustand, Tailwind CSS.
- Databases & Tools:** MongoDB, PostgreSQL (Neon), Redis, Git/GitHub, Docker, Postman, Vercel, n8n.
- Core Fundamentals:** Data Structures & Algorithms (DSA), System Design, Computer Networks (CN), DBMS, Operating Systems (OS).
